The Low Income Energy Assistance Program will open on November 1st to homebound and elderly individuals (65 years of age or older). To qualify you must be responsible for paying your heating bill and have income below 60 percent of the state median income.

A one-time payment will be made to the home energy supplier on behalf of eligible households. Eligibility for program is based on the income of everyone living in the home. All eligible households must be responsible for home heating bill.

When applying for assistance, the applicant will provide:

- ✓ Social Security Number Verification for everyone in home
- ✓ Citizen Verification for the Applicant (photo ID)
- ✓ Age Verification
- ✓ Verification of all household income for the past 30 days
- ✓ Most recent home heating AND electric bill

No appointments will be made until the opening date of the program!!

Elderly/Homebound Households only! Applicants must be age 65 or older – OR unable to leave home due to health reasons.
